- [Clean Energy](#)

As your representative in Congress, I have always supported legislative efforts that protect our environment, invigorate our workforce, help American families, and ensure our nation's prosperity. Now more than ever, the United States needs to move in a new direction to attain energy independence and to protect our natural resources from the real dangers of global warming. [Read more](#)

- [Education](#)

As your Representative in Congress, I have worked consistently to improve and increase funding for public education and new school construction. [Read more](#)

- [Financial Services](#)

As a senior member of the Financial Services Committee and chairman of the Subcommittee on Financial Institutions and Consumer Credit, I have worked to restore economic stability, protect consumers, and strengthen regulations for the financial institutions whose risky behavior contributed to the economic collapse in 2008. - [Health Care](#)

I believe that every American has a right to quality, affordable health care regardless of age,

income, job status, health condition or where they live. [Read more](#)

- [**Immigration**](#)

The United States is a proud nation of immigrants. Like the generations who came before, the most recent newcomers want what all Americans want: to raise strong families, build safe communities, to practice their faith in freedom and to seek new and better opportunities for their children. - [**Protecting Workers**](#)

Supporting the rights of workers has been one of my commitments since I first ran for elected office. Our workers are the backbone of the economy and deserve wages and protections equal to the value they contribute. I have worked to end discrimination in the workplace and ensure the fundamental rights of workers are upheld. [Read more](#)
